### *DTP members:*

Members of the Dietetic Technician in Practice dietetic practice group are advocates of dietetic professionals, and play a key role in providing cost effective quality client care vital to the promotion of optimal public health.

### *DTP Mission*

DTP strives to educate our colleagues' employers and the general public about the scope of practice, skills and competencies of DTR's. We function as team members with RD's to provide optimal nutrition care. Career enhancement and leadership development opportunities are encouraged through participation in the practice group
